From

Our Family To Your Table

For us, Christmas has always been rooted in the simple things that matter most: gathering around the table, sharing generous food and giving something chosen with care.

Our Christmas collection is a reflection of that tradition. It brings together produce from our farm and lands, preserves and pantry favourites prepared in our kitchen, traditional Maltese flavours and festive treats inspired by the Christmases we grew up with.

Many of these flavours take us back to our Nanna's kitchen, to recipes passed down through our family, jars prepared from the harvest and the familiar aromas that meant Christmas was on its way.

This Christmas, we have gathered those memories and flavours into a collection of gifts made to be opened, shared and enjoyed with family, friends, colleagues and clients.

From our land and our family, to yours.

Dorianne & Darren

DIAR IL-BNIET

THE CHRISTMAS COLLECTION

GIFTS WITH A TASTE OF WHERE WE COME FROM.

From a thoughtful little gift to a generous hamper for the whole family, our Christmas collection celebrates the produce, pantry and traditions of the Maltese countryside.

Each gift brings together Diar il-Bniet pantry favourites, festive treats and carefully selected local flavours, is then prepared and presented by our team with the same care we would give to something being placed on our own Christmas table.

Grown. Made. Gathered. Gifted.
